height

The Noyce Kitchen Planner is an ideal way to get a quote and plan drawn up based on your requirements. All you have to do is draw up a rough plan using graph area below with measurements (see example above) and fax to Noyce Kitchens on (03) 5021 1205 or post to 49 Ninth Street Mildura Victoria 3500. We are also more than happy to visit your home or place of business to measure up for a quote*.

Important: Please indicate on plan the location of existing power points, gas, plumbing and any new appliances you may require. Please note size of refrigerator, type of oven eg. under bench, wall oven etc. and the type of door finish that you might be after.
